Open to all students 3rd grade - 8th grade, all schools and homeschoolers welcome!

This camp is a Christian-based summer camp. Join us for five high-energy days diving deep into the excitement of the arts. Experience the world of music, drama, dance, visual arts and more.

The camp has been extended to 5 days! Friday of the camp the students will perform and deliver their final production for their parents and the community to enjoy.

All students are welcome! Whether they have had private music lessons or never sang a song before, this is a great camp for all.

Every camper will participate in 3 fine art areas a day during the 5 day camp. Classes fill up quickly during registration and are based on a first come, first serve basis.

The fee for attending is \$249. Second siblings \$79; third child+ of the same family can attend for \$49.

Registration opens April 1, 2019 through June 14, 2019. Late registrations will not be accepted.

Camper should bring a bagged lunch, plenty of water and snacks each day of camp. Camper attire should be comfortable and free from offensive slogans or images. Friday's performance attire is Camp T-shirt with black shorts or black pants.

Do you know of an older student (9th-12th grade) looking to volunteer and receive Volunteer Service Hours? Please reach out to us! We have a strong and dedicated group of leaders who help make our camp possible.

Come, explore the arts!
